the *Orders*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On December 15, 2021, Commerce received a notice of intent to participate in this sunset review from a domestic interested party, Estwing Manufacturing Company, Inc. (domestic interested party) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The domestic interested party claimed interested party status under section 771(9)(C) of the Act as a U.S. producer of HFHTs. On January 3, 2022, the domestic interested party provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from any other interested parties. On January 20, 2022, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Orders*.
